Giving Tuesday, the online donation event, took place this week and many of you donated to Pathlight programs. Your support helps us meet the emerging and fluctuating needs of the Pathlight community, as we manage unexpected expenses. Thank you for your generous support!

If you have a moment, take a look at Pathlight’s Facebook page to see how some of the residents in our homes and specialized programs are enjoying the days!

And remember to let us know if we can help you with anything.

Find more information about Pathlight’s COVID-19 preparations on our website.

Whole Children and Milestones Recreation

Whole Children and Milestones Recreation programs continue to offer an exciting choice of free online classes! Visit www.wholechildren.org to view the calendar of classes - scroll down the page to find the calendar.

We are also sponsoring a Virtual Talent Show - deadline for submissions is May 10! Show off your skills and send in your video.

Here are the instructions:

- Please hold your camera in landscape mode (sideways) when filming and introduce yourself in your video so we know who you are (first name only is fine). Your submission should be no longer than one and a half minutes.

- Please save your video with your name and upload it here: https://drive.google.com/drive/folders/14tV5iFW70-BQjvKxqWoszlzqAvsRI?usp=sharing

- NOTE: When you submit your video, please write this sentence in order for us to include/share it: “I understand that my child’s video may be included on social media and sent in an email to all Whole Children families”.

Autism Connections

We have been very fortunate to have received several significant donations to our Berkshire office. A local donor arranged a contact free delivery of a large number of Lego Sets for families. The sets will be a welcome diversion during the long, “remote-learning” days.

Another local organization donated gift cards for a play and building space (when it re-opens), and a Berkshire business donated bulk quantities of hand sanitizers that we were able to repackage in smaller bottles for families.

All of the items are being distributed to families in a sanitized “gift bag” so they can start the fun!

Family Empowerment

Parents are busy right now organizing remote learning for their children, working in the community or at home and managing meals and chores. Trying to schedule a time to talk live quickly turns into a game of phone tag. We’ve created some times during the week where we will be available for all families to make a phone appointment with us and talk about where they need assistance, or whatever feels right.

Hours available are Sunday mornings 9:30-11 a.m., Thursday mornings 9:30-9:30-11:00 a.m. and Thursday evenings 8:30-10:00 p.m.
Check our schedule of virtual events [HERE](on page 2) to register, or take a look at the events on Family Empowerment’s [Facebook page](for more information.
